

Bryan Okoye

Graduate Quantity Surveyor

FREEDOM

Describe your role in three words:

Dynamic, stimulating, rewarding.

What are you enjoying most about your role?

I would say learning from the experienced members of my project and the opportunities to develop.

What have been the more challenging aspects?

Finding efficient ways to manage the workload, while maintaining standards to meet client expectations.

Who have you been working with in the business?

I have been working with the Commercial team within Major Projects and Connections on one of the largest data centre connections projects currently underway in London.

What key skills have you learnt?

I have learnt effective ways to manage and negotiate with subcontractors and suppliers.

Has it been what you expected?

Yes, however I would say I have been presented with more opportunities than initially thought.

What has been the highlight of your time with NG Bailey so far?

The coaching and development sessions have been very insightful and engaging at this stage of my career.

What advice would you give to others considering joining our graduate scheme?

I would say remain keen to learn and expand your experience by utilising all the personal and career development opportunities you are presented with.
